

Syllabus for UNSAT 2026

Class 12 and Repeaters (IIT JEE)

Physics

- Electric Charges and Fields
- Electrostatics Potential and Capacitance
- Current Electricity
- Moving Charges and Magnetism

Chemistry

- Solutions
- Electrochemistry
- Chemical Kinetics
- The d- & f-Block Elements
- Coordination Compounds

Mathematics

- Inverse Trigonometric Functions
- Matrices
- Determinants
- Continuity and Differentiability
- Application of Derivatives
- Integrals
- Applications of Integrals

Exam Pattern

Pattern of Questions

- Total Questions: 30
- Total Subjects: 3

Marking Scheme

- Correct Answer: +5
- Incorrect Answer: 0
- Unattempted: 0

Question Distribution

- Physics: 10
- Chemistry: 10
- Mathematics: 10

Medium and Exam Duration

- Medium: English
- Duration : 1 Hour
