- Problems Based on Figures

Exam Pattern

Pattern of Questions

- Total Questions: 40
- Total Subjects: 5

Marking Scheme

- Correct Answer: +5
- Incorrect Answer: 0
- Unattempted: 0

Question Distribution

- Physics: 8
- Chemistry: 8
- Biology: 8
- Mathematics: 8
- Mental Ability: 8

Medium and Exam Duration

- Medium: English
- Duration : 1 Hour
